EVENTS BEGIN AT 8 A.M.

We are pleased to welcome you to TCC South's Family Extravaganza, a special event celebrating 50 years of educating students in Tarrant County. This brochure is your guide to today's schedule of activities, performances and other special events.

Our goal is to connect students, employees, members of the community and college partners by focusing on what we do best: education, enrichment and entertainment. Whether you are a first-time guest or frequent visitor, the entire TCC South community invites you to learn more about our multi-faceted college and have fun along the way!

As you're enjoying your time here, please share your experiences and photos from today on Twitter, Facebook and Instagram using [#TCCSouthTurns50](#).

About the Campus

When TCC South opened its doors in 1967 as the first campus of Tarrant County Junior College, its initial enrollment of 4,272 constituted the largest-ever opening enrollment for a junior college in the United States. The Campus also held the District's first official commencement ceremony, conferring degrees and certificates to 107 students. TCC South currently boasts an enrollment of more than 8,700 students.

Today, Tarrant County College District boasts six campuses and serves more than 100,000 students annually. Underscoring its commitment to the community, Tarrant County College works with businesses, community and economic workforce development organizations, and industry associations to develop the workforce Tarrant County needs to thrive and grow.

Don't Forget Your Wristband

Guests attending Family Extravaganza: Education, Enrichment and Entertainment for All at TCC South will be given a wristband at check-in and registration. The wristband will be your admission to the events happening throughout the campus.
